## Headteacher's Message

The autumn weather seems to have come all at once this week! Please do ensure that children have a waterproof in school.

On Wednesday, the children enjoyed the Ju-jitsu taster session with Nippon. If you would like to sign your child up, details have been sent home with the children.

Finally, our Y4 harvest worship is in a few weeks time. We will again be collecting for Penwortham Food Bank and would welcome any donations. A full list of the things we are looking for can be found on p. 3 of this newsletter. Donations can be taken to classes or brought directly to the main entrance.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

## PTFA News

There will be a PTFA meeting, Friday 20th September 6pm at Craft & Crust to discuss what events we'd like to hold over the next year. We'd love to see some new faces, whatever help you can offer, big or small, would be much appreciated.

Reflection Time

*'Just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many.'*

*Matthew 20:28*

This week in our worship, we talked about the concept of Christian service. Most people don't believe that God has hands in the way that we do. Instead, they see the image of God's hands as a symbol. One of the ways in which God makes things happen in the world is by working through the hands of people who love him. We then thought about how we can use our hands to help others around us.

This week in our Picture News, we looked at the news that space agency, Nasa, says two astronauts stuck on the International Space Station (ISS) won't return to Earth until next year. Sunita Williams and Barry 'Butch' Wilmore originally went on an eight-day mission but have currently been in space for three months. The Boeing Starliner spacecraft they were supposed to return on has a problem, so they need to wait for a different space capsule to bring them home in February. The astronauts will continue researching whilst they are there. The children considered the question: "How can we respond to unexpected events?" Our 'Picture News at Home' can be found on the last page of this newsletter.

### School Car Park

Just a reminder that the school car park is for staff only and should not be used for drop off/ pick up at the beginning/ end of school day or ClubClass. Thank you for your cooperation.

### Nut Free School

There are several children who have nut allergies and we want to do all we can to keep them safe while they are here. Just a polite reminder not to send any food items that contain nuts in to school as part of snacks or packed lunches. **Nut allergies are serious, and an adverse reaction can potentially lead to life changing injuries.** Thank you for your understanding.

Our class attendance figures this week are :-

YR 1	94.8%
YR 2	100%
YR 3	97.5%
YR 4	100%
YR 5	96.8%
YR 6	97.9%

Well done to YR 2 and YR 4 this week!!!

How can we respond to unexpected events?

## In the news this week

Space agency, Nasa, says two astronauts stuck on the International Space Station (ISS) won't return to Earth until next year. Sunita Williams and Barry 'Butch' Wilmore originally went on an eight-day mission but have currently been in space for three months. The astronauts will continue researching whilst they are there.

### Things to talk about at home ...

- > How do you think the astronauts felt upon hearing the news that they would be staying much longer in space than originally planned?
- > Can you think of a time you were in an unexpected situation or a time when you needed to change your plans? How did you deal with it?
