Headteacher's Message

On Tuesday evening, Mrs Bell and Miss Cunningham took some of our KS1 children to a multi-skills event. We were delighted to have come first out of 9. Well done! They were excellent representatives of the school.

This week, Y3 visited Ribchester Roman Museum, which linked to their history learning. The children had a great time.

As we head into December next week (this term seems to have flown), just a quick reminder that all of our key dates are on the right hand side of this newsletter.

Have a good weekend.

Best wishes,

Mr Ian P. Ashmore

Reflection Time

'Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and minds in Christ Jesus.'

Philippians 4:6-7

This week in our worship, we talked about finding peace in our lives. It is normal for us to not always feel peaceful or bring peace to others. Having so many things to remember can make us less peaceful or able to bring peace. We talked about ways that we can find peace. For example, by listening to music, reading, appreciating nature or visiting our place of worship. The dove is a symbol of peace because they are gentle loving creatures. They look after their young chicks with love and care. We challenged each other to find peace and bring peace to others.

This week in our Picture News, we looked at the news that this year's Earthshot Prize winners have been announced. Prince William, who launched the prize in 2020, closed the award ceremony in Cape Town, South Africa. The Earthshot Prize celebrates and supports people and companies working to provide innovative solutions for climate and environmental issues. The winners include projects to protect animals, handle rubbish, and prevent wasted energy. The children considered the question: "How can we raise awareness of important issues?" Our 'Picture News at Home' can be found on the last page of this newsletter.

How can we raise awareness of important issues?

In the news this week

This year's Earthshot Prize winners have been announced. Prince William, who launched the prize in 2020, closed the award ceremony in Cape Town, South Africa. The Earthshot Prize celebrates and supports people and companies working to provide innovative solutions for climate and environmental issues. The winners include projects to protect animals, handle rubbish and prevent wasted energy.

Things to talk about at home ...

- Can you tell someone at home a bit more about the Earthshot Prize?
- Do you believe awards are a good way of raising awareness about important issues?
- Have you ever taken part in or contributed to a project with the aim of helping protect and look after the world? Ask others at home whether they have.
